WASHING POWDERS

EXCLUSIVE DISTRIBUTION

7-18

Discover a unique offer of washing powders that combine effectiveness, quality, ecology and affordable price! Our brands are a guarantee of perfect cleanliness and care for every aspect - from shiny clothes, through healthy skin, to our planet.

New, concentrated formulas ensure effective washing even at low temperatures, while protecting fabrics and ensuring the safety of your skin. By eliminating phosphates and zeolites, they care for the environment, and the descaling agent they contain extends the life of washing machines.

OUR BRANDS

19-22

Ziggi Laundry Liquid effectively removes dirt, while caring for the delicate skin of people with allergy problems. Jelp Baby 0+ Laundry Milk was created with the youngest in mind - it is perfect for babies from the first day of life, ensuring the safety and care of their delicate skin. Jelp Hypoallergenic Laundry Gel is an ideal solution for adults and children from 3 years of age. Thanks to its delicate formula, it effectively removes dirt while minimizing the risk of skin irritation. By choosing our products, you ensure effective washing while taking full care of your skin.

FABRIC SOFTENERS

OUR BRANDS

47-48

JELP laundry conditioners are gentle, hypoallergenic fabric care, ideal for sensitive skin. Their mild formula, dermatologically tested, makes clothes soft, prevents static electricity and makes ironing easier.

The subtle scent provides a feeling of freshness, and ingredients supporting the skin's microbiome ensure its natural balance. JELP means safety and comfort for the whole family.

FABRIC SOFTENERS

EXCLUSIVE DISTRIBUTION

49-58

Innovative fabric softeners combine long-lasting freshness with care for the environment. Thanks to the gradual fragrance release technology, clothes smell great for many days, and the concentrated formula provides an intense, multi-dimensional aroma. They make fabrics exceptionally soft, make ironing easier and make washing a real sensory experience. It's a responsible choice – 98% of the ingredients come from nature, the packaging is biodegradable and the formula is free from microplastics. A combination of quality, effectiveness and care for the planet.

Modern washing machine care products combine effectiveness with convenience. Regular cleaning of the washing machine ensures its longer life and washing efficiency, eliminating deposits and unpleasant odors. Stain removers and bleaches remove difficult dirt, caring for fabrics, and color-catching wipes prevent clothes from dyeing. Ironing preparations smooth and refresh materials, making them easier to care for. These are comprehensive solutions for clean laundry and a reliable washing machine.

LAUNDRY ADDITIVES

EXCLUSIVE DISTRIBUTION

LAUNDRY Perfume

- ✓ Long-lasting freshness – the scent lasts up to 16 weeks.
- ✓ Beautiful aroma – envelops clothes both when worn and stored.
- ✓ Three unique scents – choose your favorite.
- ✓ Economical dosage – only 20 ml per wash.
- ✓ Efficiency 360 ml – up to 18 washes full of freshness.

SCENT BOOSTER FOR LAUNDRY
Excellent laundry products, which, thanks to specially composed formulas, are distinguished by beautiful and intense scents.
The offer includes laundry pearls, which, when thrown into the washing machine drum, release their extraordinary aromas, which penetrate deeply into the fabric fibers.
